## German

The following is a list of activities and resources which will help you prepare for your induction into the A Level German course. Best practice for languages is little and often, so you are constantly reinforcing what you have learnt.

### 1. Watch a telenovela - Jojo sucht das Glück

Interactive 33 part mini-series to view with supporting worksheets and grammar points (we recommend copying the link into Google Chrome)

### 2. Follow an online course - Deutsche Welle Interactive course

Change the language to English and register for free. Once you have taken a placement test, you can work your way through this interactive course at your level whilst checking your progress:
