

May 2017

Dear Parents/Guardians

## Students who are planning to progress to the Upper Sixth

Here we are just a month or so from the end of your son/daughter's Lower Sixth year. The time seems to have flown by. I trust that your son/daughter is now well-established at the College and that we have lived up to your expectations.

The next few weeks will bring their own unique pressures, as the students complete AS examinations and final coursework assignments. The College is committed to encouraging students to achieve the best possible outcomes, whilst bearing in mind that it can be a challenging time for some. As parents, you will be doing all you can to support them and keep them focused. To assist with this, the College has produced a range of resources for students to use to enable them to maintain a healthy physical and mental wellbeing during this period. Your son/daughter is able to access these materials from the Health and Wellbeing section of the College's Moodle site. I would strongly recommend you take a look at what is available.

After the exams and coursework deadlines, your son/daughter will begin completing their second year work and start thinking about what comes next in their lives. With that in mind, please take time to read the enclosed letter detailing arrangements for Progression Day. This is a crucial activity for your son/daughter as it will help clarify his/her ambitions and the ways in which he/she can achieve it.

Also enclosed with this letter are details of what is happening between now and when your son/daughter returns in September. It is crucial that they attend the **Re-enrolment Day on Tuesday 5 September**.

I would like to thank you all for the support you give to our staff and to wish you a wonderful summer. As always, if you have any queries please contact us directly via [enquiries@reigate.ac.uk](mailto:enquiries@reigate.ac.uk).

Best regards

Nick Clark  
Principal

Reigate Sixth Form College,
