

## Reigate College Careers Education Information and Guidance

### ENTITLEMENT STATEMENT

By the end of your two years at college you should:

- \* be aware of and able to research up to date information on learning and career opportunities post 18 and be able to evaluate the relative merits of this information
- \* draw conclusions from researching and evaluating relevant job and labour market information (LMI) to support your future plans
- \* create positive accounts of your own story emphasising the responsibility you are taking for managing your own progress achievement and wellbeing
- \* assess how you are changing and be able to match your skills, interests and values to requirements and opportunities in learning and work
- \* be proactive in taking part in career and work related learning activities and assessing the benefits to you as the learner
- \* know how to prepare for, perform well and learn from your participation in selection processes.
- \* develop and make the most of your personal networks of support and show that you are a proactive and discerning user of impartial carers information and advice.
- \* Explain what you are doing to develop your employability and to meet the expectations of employers and co-workers.
- \* plan your time meaningfully to achieve your progression targets
- \* evaluate any barriers that may prevent you fully exploring your potential
