

Summer Term 2018

Dear Applicant

Thank you for your inquiry. The College has received a record number of applications and is oversubscribed for entry 2018-2019.

From past experience, many of our successful applicants will be considering a number of different options after Year 11 and may subsequently withdraw.

If you would like to be certain that your application will be considered, you should complete and return the enclosed application form as soon as possible, **including a photocopy of your latest school report along with attendance figures**. Ensure that you put the correct postage on your letter and send it to the Admissions Officer at the address below. Applicants that do not return a copy of their school report will not be considered for a place. Since the demand is very high, we recommend that you also apply to other institutions.

The number of students invited for interview will be determined by the number of candidates who decline an offer of a place and the availability of courses. This means that students can still be offered a place any time from now until the beginning of September.

Although waiting may be frustrating for you, we would appreciate it if you did not telephone to enquire about the progress of your application; we will inform you immediately of any developments.

Yours sincerely

Nick Clark
