Top Marks in Biology

Rachael Foulsham (taking up a place to study Medicine at Edinburgh University in September) and Arunthavan Nithianantharajah (in his first year of Medicine at UCL) both won awards for being in the top six nationally in the Salters-Nuffield Advanced Biology examination last summer. They were invited to attend an Annual Awards Ceremony at Salters' Hall in November.

Science Placements Summer 2018

Three students were accepted onto summer placements last year to work alongside professional scientists on research projects. They have all been offered places on STEM courses at university in September:

- Maddy Harverson (Nuffield Research placement at King's College, London): Biochemistry, Leeds
- Adam Moon (Nuffield Research placement at the Mullard Space Science Laboratory): Physics, Southampton
- Oliver Walker (SATRO work placement at Surrey University): Biomedical Science, De Montford

Henrietta Franks has been offered a place to study History at St Andrews

Science Writing Success

Lower Sixth student Ben Bradley won the Trinity Term 2019 Oxford Scientist national school science writing competition with his essay, "Science Can Change The World - If It Is Given The Chance To."

Extended Project Qualifications (EPQ)

Typically around 100 students per year group opt to deepen their knowledge of an area of personal interest by studying for an EPQ. In 2018, 79.1% gained an A*-A grade. This year's projects included:

- Oliver Baroni-Harrison: Construction of a Linear Electromagnetic object accelerator for proof of concept for the mechanism for transporting equipment into space via a space elevator
- Ben Wall: "How does current international maritime law, in regards to outer space, affect the rights of the private individual, corporation or nation to ownership of a celestial body; and should this be amended?
- Phoebe Wyvill: "To what extent are international relations today similar to the Cold War?"

History News

Upper Sixth A Level History students Henrietta Franks and Dara Wilson won places on the Lessons From Auschwitz Project this year.

Partnerships

The College's partnerships and progression agreements with selected universities have assisted students in obtaining offers from top universities. Current partnerships include:

- The University of Law: offers to students are one grade lower than to other applicants; progression events; an annual prize for Achievement in Law
- The University of Bristol: offers to students are two grades lower than to other applicants
- The University of Creative Arts: UCA talks/workshops on careers in specific industries; guaranteed conditional offer if students meet the entry requirements
- The University of Roehampton: personal statement workshops; offers to students are one grade lower than to other applicants

Aspire Programme

The College's Aspire Programme supports high-achieving students throughout the university application process to help them secure places on some of the most competitive courses, including Law, Medicine and STEM. This is done through:

- An additional weekly seminar with an Aspire tutor
- Bespoke personal statement writing workshops
- The opportunity to take additional qualifications such as an EPQ (see page 3)
- Specific enrichment activities such

as the Law Society and the MVD Society (see page 5)

- Talks from visiting speakers
- The opportunity to participate in external events such as Corpus Christi Masterclasses

This is in addition to the support given to all students by the Careers Department (see page 23).

The Programme has again seen some impressive results this year. Here's where a few of this year's students who've been through the Aspire Programme have been offered university places.

With Reigate College's pass rate at a consistent 100%, BTECs are a good option for many students. Whilst some choose to study entirely BTECs, others prefer to mix and match their courses, combining exam-based A Levels with more coursework-based

BTECs. The more practical approach of BTECs is also ideal preparation for many university courses, apprenticeships and vocational qualifications. Here's what a selection of this year's students who opted to do at least one BTEC are planning on doing next.

Performing Arts Showcase Performing Arts Showcase

Performing Arts

This year has seen a huge range of College productions, offering Performing Arts students multiple opportunities to take to the stage and showcase their acting, singing and dancing skills. And with the quality of performances so high, it's easy to see why more and more students are choosing to study Performing Arts at College.

Students can choose from six BTEC Performing Arts or Dance courses, with the addition in September of a triple BTEC (the equivalent of three A Levels) giving students the opportunity to focus on the three elements of Acting, Movement and Musical Theatre.

During the past year, Performing Arts students have gone on numerous theatre trips and have benefitted from workshops and masterclasses from the Performance Preparation Academy, Barcelona Institute of the Arts and West End choreographer Adrian Edmeades. For many, however, the highlight of the year was the chance to go to New York at Easter.

This year's performances have included:

- Hot Feet Dance Show (December)
- Christmas Showcase (December)
- Headshotz (January)
- Cross College Show: Sweeney Todd
- BTEC Performing Arts Showcases (April to June)

Leavers' Fest 2019

Friday 10th May, Front Lawn, Reigate College

2019 College Leavers were given a fantastic send off at the Leavers' Fest in May. With a mouth-watering barbeque, dodgems, unlimited supply of sweets and some wonderful entertainment (who could forget the performances from the College's very own 'Adale' and a particularly glamorous Luca Crawford?), it was the perfect way to round off their time at College.

Our thanks goes to all those who helped make it such a memorable event, especially Wendy Gregory and the SU, music tech students, everyone who performed, and the premises and catering team for their hard work behind the scenes. Thanks too to Helen Parker and Upper Sixth student Darcy Voller for

New Music Fest

Now in its sixth year, New Music Fest is a regular feature in the community's musical calendar, giving local talented performers the opportunity to take to the stage and perform original live music at an outdoor festival. In 2019 Reigate College again sponsored the acoustic tent and the event was headlined by awesome Upper Sixth Music student Joss Malcolmson and his band.

The College is delighted to be launching a new Music Summer School in 2019 for Year 10 and 11 pupils, giving prospective students the chance to make use of the College's professional equipment and gain expertise from the College's Music teaching staff and past and present students.

Careers

The Careers Department had its Investor in Careers Award renewed earlier this year in recognition of all the work that goes in to helping students achieve their next steps. As well as one-to-one support and guidance with applications to university, specialist colleges, apprenticeships and jobs, the Careers team also puts on a series of events throughout the year to help with progression planning. Here's a summary of what happened this year:

- Get Ahead Day, with over 100 exhibitors from a range of universities, employers and gap year organisations, talks on Higher Education and Alternatives to Higher Education and one-to-one meetings with tutors to discuss future options
- Apprenticeship Week, with lunchtime talks from Easy Jet, Thales, Grant Thornton, Huntley Cartwright, Willis Towers Watson and Fidelity, and the chance to attend the National Apprenticeships Show at Sandown Park
- Progression Day, with talks on university applications, personal statements and employability skills
- Beyond Reigate evenings for parents with information on progression pathways
- An Evening Careers Fair for parents and students
- Options Afternoon for Intermediate Students. with CV workshops, sessions on employability skills, social media profiles and Apprenticeships opportunities
- Lunchtime Insight Talks, with external speakers from a range of industries to offer insight into specific careers paths

Work Experience

The Careers Department works with a range of local and national employers, organisations and parents to help students secure work experience placements and give them the opportunity to attend skills, insight and assessment days. Details of all such opportunities are listed in the weekly College Careers Bulletin.

We are grateful to all those who have offered their support this year, including:

Intermediate Programme Apprenticeships

Intermediate Success

The College's Intermediate Programme exists for students who missed out on getting five GCSEs at Grade 4 or above and who therefore aren't immediately eligible for Level 3 (A Level or equivalent) programmes.

Intermediate students who have particularly excelled this year were recognised at a Principal's Awards Ceremony held on Tuesday 14th May with individual awards for Contribution and Achievement. The William Dyer Award for the most outstanding Intermediate Student was presented to Jazmine Grix.

Jazmine joined the College's Intermediate Programme in September having relocated from South Africa. In November she took (and passed) GCSE Maths and English, and she has also been studying BTEC Level 2 Awards in Business and IT. She will be starting her Level 3 Programme in September with the long-term goal of becoming an Architect.

Jazmine Grix, winner of this year's William Dyer Award

"It meant the world to me to win this Award. I've received so much support from the College – and put a lot of work in myself – so to have that recognised means so much."

Harvey Cuffe

Harvey Cuffe is now in the Lower Sixth and says he would 'definitely' recommend the Intermediate Programme having successfully completed it last year.

"It gives you the chance to prove yourself and suits students who prefer a combination of assessed coursework and exams."

Chelsea Fagan

Chelsea Fagan, now in the Upper Sixth, also came through the Intermediate Programme, and is planning on joining Virgin Atlantic's Cabin Crew when she leaves College.

"I've now got a good set of grades and the extra year at Reigate has really helped me decide what I want to do in the future."

We are so proud that our son has managed to actually enjoy his education; he is like a different child from when he attended school. It is so important that kids like him get a second chance when they leave school with not the best exam results to try to gain some more qualifications.... I have been so impressed with the College and with his progression.

Partner Schools

The College has been working closely with its partner schools – Reigate, Warwick, de Stafford and Oakwood – throughout the year, including at:

- Year 10 and 11 Assemblies and Information Evenings
- Year 8 and 9 Options Evenings
- Year 6 Open Evenings

Selected Partner School students are also invited to a variety of Gifted and Talented sessions and Applicants' Events to give them a flavour of studying at the College.

Newly opened Merstham Park School this year also became a partner school, and Lower Sixth students Safia McDonald, Alice Sadler and Alicia Coutet-Arthur have been working with the school in their pupil recruitment.

Safia McDonald, Alice Sadler and Alicia Coutet-Arthur with Martin Beard, Head of Merstham Park School

The students are a huge credit to the College. I am extremely grateful and impressed with the work they have produced.

Head of Merstham Park School, Martin Beard

Apprenticeships

A number of this year's Upper Sixth students have chosen to embark on an apprenticeship as an alternative to university. Apprenticeship places – especially those with leading employers – are often highly competitive with the application process involving a variety of different stages, so being accepted is a considerable achievement.

Here's where some of this year's Uppers are taking up apprenticeships after College

 $From \ left \ to \ right: Katie \ Musk, RSM; Sophie \ Swain, Ernst \ \& \ Young; Hana \ Baldwin, Mercedez \ Benz; Lauren \ Day, Nestl\'e$

They follow in the footsteps of previous College students who have also gone on to benefit from apprenticeships.
