Hi «Student\_Name»

This is just a quick reminder to complete all of the **Ready for Reigate** tasks and activities by **Monday 4 May 2020**. Everything you need can be found at [www.reigate.ac.uk/newstarters](http://www.reigate.ac.uk/newstarters).

On Monday, the next step in your preparation for College will be released, called **Explore Your Subjects** at [www.reigate.ac.uk/newstarters-courses/](http://www.reigate.ac.uk/newstarters-courses/). As the title suggests, all of the subjects we offer will be there for you to view. Go to the subjects you are looking to study and complete the activities set by 1 June. This will give you a flavour of what you can expect in the autumn term and in most cases, will give you a head start with your subjects. If you are considering changing a subject you can investigate that subject on the web site before deciding if it is the right choice for you. Course changes can be made at Enrolment.

**You don't need to submit your work.** It is just an opportunity for you to be ready to discuss or share it with your tutors and teachers when you start in the autumn.

We'll send updates over the next few weeks, including further updates about Introductory Day on 30 June.

Best wishes

Nick Clark  
Principal
