 College Community • Trips and Activities • Careers • Remote Learning • Alumni • Sports

# Academic Achievements

Lower Sixth student Riana Islam came top in College in the UKMT Senior Maths Challenge

Jacob Foulsham plans to study Medicine at Newcastle

## From the Principal

Welcome to Rewind, Reigate College's annual review. This year has of course been like no other. Many of the events we would normally include in the review – College trips, productions, award presentations and leavers' send-offs to name but a few – simply have not been able to happen, or at least not in their 'normal' fashion.

However, rather than dwell on what's been lost, I invite you to join with me in remembering and celebrating all that has happened this year. So much has been achieved – both before and during lockdown – and I have been continually impressed by the way the College community has come together and found new ways to excel. Not only has learning taken place remotely, but we've also seen virtual award ceremonies, exhibitions, community events and more. And many individuals, both current and former students, have gone above and beyond to give back to society.

The strength of our community is perhaps best demonstrated in the Reigate College performance of 'Times Like These' by the Foo Fighters, brilliantly put together by the Music Department. If you've not already seen it, I urge you to take a look.

*Nick Clark*

Xia Gray has an offer to study HSPS (Human, Social and Political Science) at St Catherine's College, Cambridge

## Summer Results 2019

Last summer's results were among the best in Surrey with the College again excelling in 'Valued Added', where students outperform their nationally generated predicted grades based on GCSE results. In summary:

- 81.3% of A Level results were grade A\* to C
- 90.5% of BTEC Level 3 Subsidiary Diplomas (the equivalent of one A Level) were Distinction or Distinction\*

Deborah Elenge plans on taking up her offer to study Chemical Engineering with a Placement Year at Loughborough University

- The pass rate was 99.4% for A Level and again 100% for BTEC Level 3 courses

This enabled the vast majority of students to take up their first-choice university or apprenticeship offer, including places at Oxbridge, Russell Group universities and medical schools.

## Destinations Headlines

- This year over 800 students have applied to university making the College one of the largest providers of students to UK universities.

Isabel Locke has an offer from Birmingham to study History

Joel Aston is set for St Hilda's College, Oxford to read Biochemistry

Daniel Selwood won Gold in the UKMT Senior Maths Challenge

- High numbers of students have again received offers from all the Russell Group universities (including Oxford and Cambridge) and for competitive courses such as Medicine and Law.
- Increasing numbers of girls were offered places on STEM courses.
- Many students have benefitted from the College's links with higher education providers including the University of Law, the University of Bristol, the University for the Creative Arts and the University of Roehampton.
- Data from HESA (Higher Education Statistics Agency) has shown that students from Reigate College are more likely to achieve a 1st class degree (including from Russell Group universities) compared to students from any other type of sixth form provider.
- The College's new pathways tutorial programme has helped students reach their preferred next step, whether university, apprenticeship or employment.

## MVD Successes

The Medicine, Veterinary Science and Dentistry (MVD) Society has again seen considerable success with university offers this year (see page 6).

## Maths Challenge

A Level Mathematics students took part in the UKMT Senior Maths Challenge in November and between them achieved three Gold Certificates (Riana Islam, Emma Masters and Daniel Selwood), 24 Silver and 21 Bronze. Riana also went on to achieve an outstanding 85 out of 100 in the Senior Kangaroo Round.

## Nuffield Placement Summer 2019

Deborah Elenge undertook a four-week Nuffield Research placement in August 2019, for which she was awarded a Gold Crest Award. After College she plans on taking up her offer to study Chemical Engineering with a Placement Year at Loughborough University.

## History News

Upper Sixth A Level History students Isabel Locke and Kit Barraud won places on the Lessons From Auschwitz Project this year.

## Writing Success

- Rhianna Levy was awarded the British Society of Sports History Award for the best Extended Project Qualification (EPQ) for her extended essay, 'Is genetics the primary factor influencing the rise of black dominance in sport?'
- Lower Sixth students Izzy Hudson, Alyssa Gobbin and Daniel Lambert received awards from the Young Reporters' Scheme in recognition of their outstanding journalism.

## Film and Media News

- Emma Ricketts, Amy Wallis, Matthew Hosp and Amy Watt-Pringle were offered places on the British Film Institute's Film Academy residential course.
- Lucy Prouton, Adaam Wallis, Harriet Ogunyemi, Mya Williams, Toby Maynard, Aaron Seeruthun, Evie Nebbitt and Ella Gill attended the BFI's Film Academy Network Film Production course at Shepperton Studios.

# Aspire Programme

Students with high GCSE results are invited onto the College's Aspire Programme in the Lower Sixth. This bespoke programme has been designed to offer additional support throughout the university application process to help students secure places from the top universities and on the most competitive courses, including Law, Medicine and STEM.

Alongside an additional weekly seminar with an Aspire tutor, students have access to personal statement writing workshops, talks from visiting speakers, external events such as Corpus Christi Masterclasses and the opportunity to take additional qualifications

such as an EPQ (see page 5). Students interested in specific areas take part in their own enrichment activities, such as the MVD Society (see page 6). This is all in addition to the support given to all students by the Careers Department (see page 21).

As in previous years, students who've been through the Aspire Programme have again received an impressive number of offers, many of them from the prestigious 'Russell Group' of universities – and over 100 students have received four or more Russell Group offers. Here's where some of this year's Uppers are hoping to take up their places.

**Joel Aston**  
*Subjects studied:* A Level Biology, Chemistry, French, Mathematics  
*First choice offer:* Biochemistry, St Hilda's College, Oxford

**Ben Bradley**  
*Subjects studied:* A Level Chemistry, Mathematics, Further Mathematics, Physics  
*First choice offer:* Physics, Keble College, Oxford

**Scarlett Casey-Harwood**  
*Subjects studied:* A Level History, Law, Psychology  
*First choice offer:* Law, Birmingham

**Will Elphick**  
*Subjects studied:* A Level Economics, Mathematics, Further Mathematics  
*First choice offer:* Economics, Exeter

**Michael Hutton**  
*Subjects studied:* A Level Chemistry, Mathematics, Further Mathematics, Physics  
*First choice offer:* Chemistry with Molecular Physics, Imperial

**Chloe Legge**  
*Subjects studied:* A Level Biology, Chemistry, Mathematics  
*First choice offer:* Biomedical Sciences, York

**Rami Madanat**  
*Subjects studied:* A Level History, Mathematics, Politics  
*First choice offer:* Politics and Economics, SOAS

**Tara McConnell-O'Neill**  
*Subjects studied:* A Level English, History, Philosophy  
*First choice offer:* English, Exeter

# Extended Project Qualifications

Students on the Aspire Programme are invited to do an Extended Project Qualification or 'EPQ' alongside their other subjects. Because it demands good organisation, research and presentation skills, the qualification is highly valued by universities and employers alike. Last year the College's pass rate was 100% with 78.7% achieving an A\* or A.

An EPQ can be on just about anything – the only requirement is that it's something the student is passionate about – and can take the form of a dissertation, field study, performance or artefact, for example. Here are some of this year's stand-out projects:

- Caitlin Edge's EPQ was entitled 'To what extent could the UK's withdrawal from the EU be described as instigating a political revolution?'

Dominic Terry designed, constructed and evaluated his own drone

Mia Bleach wrote and illustrated an original children's book

Rhianna Levy's essay, 'Is genetics the primary factor influencing the rise of black dominance in sport?' was awarded British Society of Sports History Award for the best EPQ

Alex Davis created a corset using traditional sewing methods

Amy Watt-Pringle's documentary on the experience of a drag queen in modern society helped secure her a place on a BFI Film Academy course

# Medicine and Health-care

Dr Anna Mustill shared her experiences of working as a GP with MVD students

Events of this year have been a powerful reminder of the vital importance of the role of medicine and healthcare in society. With that in mind, we are delighted that so many Reigate College students choose to go on to train as doctors and other healthcare professionals – and this year is no exception.

The MVD Society has again been an invaluable source of support and guidance for students applying to study Medicine, Veterinary Science and Dentistry. It gives students the opportunity to discuss ethical issues and medical hot topics, hear talks from guest speakers, attend additional events such as Operating Theatre Live, and receive advice on personal statements, interview technique and arranging work experience. As a result, this year's MVD students have accepted the following offers (among others received):

Beth Aldridge	Veterinary Science	Nottingham
Manny Chaffe	Medicine	Sheffield
Holly Davies	Medicine	East Anglia
Jacob Foulsham	Medicine	Newcastle
Cameron Fowler	Medicine	Leeds
Sasha Graham	Medicine	East Anglia
Mukunth Kowsik	Medicine	Birmingham
James Williams	Medicine	Anglia Ruskin
Ewan Young	Medicine (with a Gateway Year)	East Anglia

Alongside the MVD offers, a large number of this year's students will also be going on to train in different areas of healthcare, ranging from Nursing and Paramedic Science to Physiotherapy and Midwifery.

Jonathan Springett from St George's Hospital discussing his work as an Anaesthetist

Operating Theatre Live took place in January

Cameron Fowler has been offered a place to study Medicine at Leeds

Jodie Connolly has a place to study Midwifery at Surrey University

Shannon Doherty (left) plans to train as either a nurse or paramedic after taking a gap year; Tara Luke has a place to study Adult Nursing at Manchester

Corie Anderson

**Subjects studied:** BTEC Performing Arts (Acting), Dance, Applied Science

**Next:** Acting and Stage Combat, University of Essex

## BTECs – a great choice

BTECs are a great choice for many students in their Level 3 Study Programme. Their more applied, coursework-based approach makes them excellent preparation for further study, employment and apprenticeships, and with 90.5% of the College's BTEC Level 3 Subsidiary Diploma students achieving a Distinction or Distinction\*, it's easy to see why they're an increasingly popular option.

While some students choose to study entirely BTECs, others mix and match their courses with A Levels. Here's what some of this year's Upper Sixth students, who did at least one BTEC, are planning to do after College.

Georgia Pitts

**Subjects studied:** BTEC Law, A Level English Literature, Geography

**Next:** Law, the University of Law

Eve Wilcox

**Subjects studied:** BTEC Business, Law, A Level Sociology

**Next:** Accountancy Apprenticeship with the BBC

Zoe Beck

**Subjects studied:** BTEC Health & Social Care, Applied Science (Medical)

**Next:** Social Work, University of Sussex

Sophie Raccagna

**Subjects studied:** BTEC Computing, Engineering, A Level Fashion & Textiles

**Next:** Cyber Security & Forensic Computing, University of Portsmouth

Harvey Cuffe

**Subjects studied:** BTEC Business, Performing Arts (Acting), A Level Media Studies

**Next:** Film Production, University for the Creative Arts

Sophie Stevens

**Subjects studied:** BTEC Applied Science, Health & Social Care, A Level PE

**Next:** Sport Rehabilitation, St Mary's University, Twickenham

# Fine Art Showcase

Our annual Art & Design Exhibition was moved online this year with Reigate College's very own virtual gallery released on 24th June. If you haven't already visited, take a look at [www.reigate.ac.uk/art-design-exhibitions2020](http://www.reigate.ac.uk/art-design-exhibitions2020) which includes work from Upper Sixth A Level Art (Fine Art), Photography, Fashion & Textiles, Graphics, Product Design (3D Design) and BTEC Digital Design students. We've chosen some of the highlights from our A Level (Fine Art) students here.

Luca Hilling

# RAFTAs

The RAFTAs are a celebration of the achievements of Upper Sixth students on each of the College's three Film and Media courses: A Level Film Studies, A Level Media Studies and BTEC Level 3 Digital Media Production. Rather than the usual 'red carpet' event in the College's Rispoli Theatre, this year's RAFTAs took the form of a live Instagram event (at 7pm on 14th May), followed by a 40 minute YouTube video (see The RAFTAs 2020 Full Awards Show!) to announce the winners.

Congratulations to all the students who were nominated for awards, and a huge 'well done' to the 2020 RAFTA winners:

Best Production Crew	Harriet Grey, Adaam Wallis, Lucy Prouten, Poppy McAllister
Best Screenplay	Oliver Peal
Best Television Script	Louis Forsyth
Best Production Design	Kaia Longhurst Sayer
Best Website	Ellen Salisbury
Best Graphics	Molly Trubee
Best Sound Design	Kai Forbes
Best Cinematography	Harriet Grey
Best Digital Media Convergence	Xia Gray
Best Editing	Callum Kane
Best Freelancer	Raphaël Pacaud
Best Director	Bethany Conn
The Above and Beyond Award	Amy Watt-Pringle
Best BTEC Production	Lucy Hunnoble
Best TV Drama Programme	Ewan Hughes-Phillips
Best Short Film	Dylan Rampartap

RAFTA'S LIVE INSTAGRAM EVENT

# Future Stars of Stage and Screen

With a thriving department, great facilities and five different courses to choose from, it's no wonder that so many College students elect to study Performing Arts. The skills and experience gained are invaluable whatever career path lies ahead, which for some is to star on stage or screen! Here's where some of this year's Upper Sixth Performing Arts students are planning to continue their training:

**Ella Bowers**  
*Place offered:* Theatre and Film, University of Bristol

**Abbi Burgess**  
*Place offered:* Drama and Music, Bath Spa University

**Libby Canagasabay**  
*Place offered:* Dance, Kingston University

**Hollie Clarke**  
*Place offered:* Acting, University of Chichester

**Bethany Coombes**  
*Place offered:* Performing Arts (Musical Theatre), UCEN Manchester

**Leah Lyons Donegan**  
*Place offered:* Musical Theatre, Canterbury Christ Church University

**Maddie McKee**  
*Place offered:* Musical Theatre & Acting for Film, University of Chichester

**Dimple Malhi**  
*Place offered:* Dance: Urban Practice, University of East London

**Tim Mukahanana**  
*Place offered:* Creative Artistry, The Academy of Contemporary Music

**Lee Reeve**  
*Place offered:* Performance Preparation Academy (PPA)

**Odette Slape**  
*Place offered:* Performance Preparation Academy (PPA)

**Chloe Torrance**  
*Place offered:* Musical Theatre and Arts Development, University of Chichester

**Naomi Walker**  
*Place offered:* Performance Preparation Academy (PPA)

**Isabella Williamson**  
*Place offered:* Dance, University of Roehampton

**Tegan Woolnough**  
*Place offered:* Musical Theatre, University of Portsmouth

**Not pictured:** Corie Anderson (Acting and Stage Combat, University of Essex); Kaia Longhurst Sayer (Drama and Performance, London South Bank University); Lucy Prouten (Theatre and Film, University of Bristol); Alex Sharpe (Drama, University of Greenwich); Lucy Walker (Italia Conti)

# Performing Arts

Here's a snapshot of some of the performances, workshops and trips Performing Arts students took part in this year:

- Audition masterclass and workshop with the Performance Preparation Academy (PPA)
- Workshop with the cast of *Hamilton* (selected students)
- Trip to see PPA production of *The Best Little Whorehouse in Texas*
- Performances at Reigate Christmas Fair
- Monologue Slam competition at Nescot College
- Panto tour to local primary schools
- Christmas Showcase
- *Hot Feet* Dance Show
- Dance Showcase for prospective students
- Visit from the Institute of the Arts Barcelona
- *Headshotz* – an evening of solo performances
- Trip to see *Come from Away*
- Cross College Show: *Oliver Twist*

# Principal's Awards

Each year, every member of the teaching staff is invited to nominate up to two students who have stood out amongst their peers for either their achievement or their contribution to the subject. Alongside these subject awards, there are also a number of special individual and community awards.

Our congratulations to all those students who received a Principal's Award this year, and especially to the eight students who received a fantastic three awards each.

# Musical Highlights

Music students have the choice of three separate courses at Reigate College (A Level Music, A Level Music Technology and BTEC Music (Performance)) as well as all students having the opportunity to join the Chamber Ensemble, Chamber Choir, College band, vocal group, songwriting club and more.

This year's Music performances included:

- Lower Sixth BTEC Bash, 22nd October
- Upper Sixth BTEC Music Performance, 26th November
- Winter Concert, 3rd December
- Battle of the Bands, 2nd March

Although lockdown brought an end to the year's official programme, it certainly did not deter our brilliantly talented Music students who lifted all our spirits with some fantastic virtual performances (see pages 22-23).

# New Music Academy

Reigate College's Music Summer School for budding writers, performers and technicians was launched in 2019. The students pictured all attended the week-long school before enrolling on one or more of the College's Music courses in September 2019.

Unfortunately the 2020 school was cancelled due to the pandemic but we very much look forward to running it again during the summer of 2021.

"I didn't know anything about the technical side of music-making but I learnt so much in a week." Noah

# College Community

Activities and Wellbeing Pop-up event

I Love Reigate College event

I Love Reigate College event

RU OK? Pop-up event

Activities and Wellbeing Fair

Christmas Gratitude week

Age Concern Christmas lunch

The Students' Union has been hard at work this year, organising a fantastic range of community and charity events. They've also been at the heart of the new wellbeing pop-up events, alongside the team of dedicated staff and Student Mentors. Here are some of this year's pre-lockdown community highlights (read more about the College community in lockdown on pages 22–23):

- Community Afternoon (September)
- Activities and Wellbeing Fair (September)
- Freshers' Party (October)
- Age Concern Appeal (December)
- Christmas Gratitude Week (December)
- Activities and Wellbeing Pop-up event (January)
- I Love Reigate College (February)
- Fundraising for the Guide Dogs, Samaritans and the Lucy Rayner Foundation (February)
- RU OK? Pop-up Wellbeing events (throughout)

Members of the 2019–20 Students' Union handed over the reins to the new team in May. We wish them every success in their next steps.

The Reigate College Careers Team

Above, former students returned to College in National Apprenticeship Week; below, Get Ahead Day 2020

# Careers

It's been another busy year for the Careers Department with over 800 students applying to university, and new progression tutorial pathways for those in the Upper Sixth wishing to embark on an apprenticeship or enter employment after university.

As well as offering individual support and guidance, the Careers team also put on a wide range of events throughout the year. Here's a roundup of what's happened this year:

Beyond Reigate (January)	Information evening for parents of Lower Sixth students
National Apprenticeship Week (February)	Lunchtime talks
Get Ahead Day (February)	Careers Fair with 116 exhibitors from universities, employers and gap year organisations; talks; one-on-one sessions; seminars and masterclasses
Apprenticeship Show, Sandown Park (March)	A chance to explore Apprenticeship opportunities
Lower Sixth Progression Week (June)	A series of online talks, activities, information and more
Lunchtime Insight talks (various)	A series of talks from industry specialists

## Work Experience

All students are encouraged to secure an experience of the workplace during their Lower Sixth year, and the College is grateful to the many local and national organisations for their support with this. During the past year, students have benefitted from insight days, work shadowing, workplace visits, or, in more recent times, virtual presentations, meetings and online tasks. All opportunities on offer through the College are advertised to students through the weekly Careers Bulletin.

We are grateful to all those who have offered their support this year, including:

# Remote Learning and Support

Due to the coronavirus pandemic and in line with government guidelines, from Monday 23rd March, student learning took place remotely. We are enormously grateful to all those who worked tirelessly to ensure the College's high standards of teaching have been able to continue – and although Reigate College students are used to working independently and making use of the College's online library of resources, it was impressive seeing how they adapted to the new way of learning.

Here's some of the feedback we've received:

*"My teachers are immensely supportive. We're given loads of resources when work is set and then there are virtual Teams lessons to check everyone understands the work and where you can ask questions. Once the work is completed, it's marked quickly and returned with great feedback. You can email the teachers whenever you have any queries and they come back to you promptly."* Abigail

*"Every Wednesday the College sends a wellbeing email which includes activities you could do and provides information on how to access more support if you need it."* Hollie-Mae

*"My teachers have supported me by giving advice and also reassurance on my work. They've been very helpful in not putting too much pressure on us, and are very understanding if you've had a tough week mentally and need a few more days to complete the work."* Madeline

*"One of the nice things about College is that you're treated like an adult, not a child. There was a couple of weeks in lockdown when I was struggling to keep on top of my work and I spoke to my teachers about it and they were so understanding."* Freya

*"My teachers have been immensely supportive during lockdown, providing me with ways I can organise myself better. On top of that, College has been very supportive in ensuring we keep a positive mind-set. You really feel you're not on your own!"* Ania

*"I am very impressed by how Reigate College has handled these uncertain times."* Upper Sixth parent

A Level Media Studies student Amy Watt-Pringle produced a time capsule video capturing her final day in College on 23rd March

Staff and students recorded their own version of the Foo Fighters song, 'Times Like These'

A Level Fine Art student Mia Bleach created a series of illustrations depicting life in lockdown

Upper Sixth English Language & Literature student Michael McDelling shared a poem he wrote expressing what he learnt in lockdown

The 2020 Principal's Awards were launched with a specially produced video in place of the usual ceremonies

College students past and present recorded 'Don't Go Out', an adaptation of Dua Lipa's hit 'Don't Start Now'

College science equipment was donated to the NHS

The SU produced a video explaining the Equality Act 2020 for the College's Equality and Community Event

College Footballers took part in a 'keepy-up challenge' to inspire students to keep exercising

Year 11 Introductory Day took place virtually on 30th June; Upper Sixth students Jack Large (pictured) and China-Marie Kill took new starters on a tour of the College campus in one of the day's specially produced videos

## College in Lockdown

As well as learning, a whole host of other activities moved into the virtual world, including Equality and Community Day, Progression Week and Careers advice, annual Awards Ceremonies, the Art & Design Exhibition, Wellbeing sessions, charity fundraising, Introductory Day for current Year 11s, not to mention the countless other ways staff and students past and present have contributed to ensure the College's strong sense of belonging continues.

Thank you to everyone in the Reigate College community and beyond for your involvement and support.

The Equality and Community Event raised £1,300 for SASH

Art & Design Exhibition 2020

# Alumni News

We're delighted to be able to keep in touch with our former students through our thriving Alumni network. Our thanks in particular goes to those who've supported current students this year by returning to College to give talks and presentations, or – in more recent weeks – through online vodcasts.

Here are updates from just a few of the Reigate College Alumni, ranging from former students just graduated or completing Apprenticeships to those further on in their careers.

Wing Lam Lau

## Wing Lam Lau

**Previous School:** Oakwood

**Reigate College:** 2013–2015  
Biology, Geography, History

**Higher Education:** Business Management, Swansea University

**Currently:** Graduate position in Procurement with Boeing following a placement year with Worcester Bosch

*“Reigate College teachers never gave up on me and always encouraged me to go beyond the scope of the course, which was indispensable for my assignments at university.”*

## Dan Noble

**Previous School:** St Bede's

**Reigate College:** 2014–2016  
Music Technology, Media Studies, Mathematics

**Currently:** Absolute Radio presenter

*“To be successful in radio, whether it's presenting or producing, you need to be creative and able to think on your feet.”*

## Matt Swain

**Previous School:** Reigate

**Reigate College:** 2014–2016  
Mathematics, Physics, Business Studies

**Higher Education:** Accounting, University of Durham

**Currently:** KPMG's Sponsored Degree Programme

*“The College Careers Department was so supportive.”*

## Anastasia Cawkwell

**Previous School:** Reigate

**Reigate College:** 2014–2016  
Biology, Psychology, Geography

**Higher Education:** Paramedic Practice, University of Surrey

**Currently:** Paramedic for the NHS

*“The teachers at Reigate were amazing. They boosted my confidence and encouraged me to follow my dream of becoming a paramedic.”*

## Elliott West

**Previous School:** Riddlesdown

**Reigate College:** 2014–2016  
Business, IT, Media Studies

**Higher Education:** HNC Construction Management, London South Bank University

**Currently:** Apprenticeship, Mace Construction

*“I've had the chance to work on top projects around London and be part of the team building landmarks on the London skyline.”*

## Yathu Nimalan

**Previous School:** St Bede's

**Reigate College:** 2014–2016  
Information Technology, Economics, Mathematics

**Higher Education:** Accounting and Finance, Oxford Brookes University

**Currently:** Graduate scheme with Enterprise Holdings

## Jack Hinton

**Previous School:** Royal Alexandra & Albert

**Reigate College:** 2010–2012  
Dance, Performing Arts (Musical Theatre), English Language & Literature

**Currently:** Starring in *Starlight Express*

*“I loved my time at Reigate. It gave me the confidence and skills to follow my passion for Dance.”*

## Honey Meakings

**Previous School:** The Ashcombe

**Reigate College:** 2017–2019  
Business, Health & Social Care, Sociology

**Currently:** PR & Communications Apprenticeship, Ministry of Defence

*“My Apprenticeship is such an amazing opportunity. I get to work in the MOD head office in London; I have my own projects to work on and I've been given a lot of independence.”*

## Kayzia Ballantyne

**Previous School:** Nonsuch

**Reigate College:** 2009–2011  
Biology, Chemistry, French, Psychology

**Higher Education:** Medicine, King's College London

**Currently:** Junior Doctor, specialising in Obstetrics and Gynaecology

*“I loved my time at College...I had amazing support from all my teachers.”*

## Florence Little

**Previous School:** Reigate

**Reigate College:** 2011–2013  
Spanish, French, Politics

**Higher Education:** French & Spanish (First class Hons), University of Leeds

**Currently:** Living and working in Australia

*“I loved how encouraging and caring the staff were at Reigate.”*

# ALUMNI

Reigate College's Alumni is a professional network of around 2,000 former students who are studying or working in a wide range of areas.

Help us grow the network, so that together we can help inspire and support current students.

# Sports Awards

Congratulations to all those students recognised in the Reigate College Annual Sports Awards, announced via a specially produced video released on social media on Wednesday 6th May. A total of 34 students received awards, demonstrating the strength of the College's sporting community.

The 2020 Individual Sports Player of the Year went to Upper Sixth student Jonny Tibble, who's played in both the College's Mixed and Men's Hockey Teams and has represented Surrey in Hockey since the U14s. This year he was selected to play in the Men's GB Colleges Hockey Squad, a tremendous achievement.

Lee Peacock was named Team Sports person of the Year. An "outstanding and reliable player", Lee has represented the College at Football throughout his time here and this year was co-captain of the Men's 1st Team.

The Sports Ambassador of the Year was awarded to Simone Kellard who has been a key player in the Netball A Team and has given many hours of her free time to prepare kit for fixtures, and help promote and develop sport at the College.

Winners of the Reigate College 2020 Sports Awards			
Individual Sports Person of the Year	Jonny Tibble		
Team Sports Person of the Year	Lee Peacock		
Sports Ambassador of the Year	Simone Kellard		
	Players' Player of the Year	Coach's Player of the Year	Most Improved Player Award

Men's Hockey	Marcus Austin	Toby Wyner	Freddie Baker
Basketball	Morten Jakubowski	Adam Green	Alexander Hadouka
Coach of the Year	Rachel Conquest, Women's Football		

Jonny Tibble

Men's 2nd Football Team

It was another impressive year for Sport at the College, although there was understandable disappointment at not being able to complete the season and – in the case of the three Men's Football teams – defend their titles as winners of the Surrey Sixth Form Leagues. The planned inter-College Olympics also regrettably had to be cancelled. Here's a roundup of the situation to March:

- The Men's 1st Football Team entered lockdown top of the League and were on course for a second successive League title; the Men's 2nd team finished level on points with Godalming College at the top of their League; the Men's 3rd Team also had a great season, even beating Reigate College

Men's Hockey Team

- Men's 2nd Team in the Cup, although missing out on playing in the final in their League due to lockdown.
- The Women's Football Team remained in the top half of their League all season and reached the fourth round of the AoC Knock-out Cup.
- A large squad of committed players meant the College was able to field two Rugby teams. They had some great games with notable wins against Caterham School, Collier's and Esher College.
- Led by new coach Neil Hobbs, the Women's Rugby Team came second in the AoC Sevens Tournament at Worthing Rugby Club.

# College Sport

- The Netball A Team displayed great attitude and skill throughout the season, particularly during their 32-21 win against Woking College; the strong commitment of the Netball B Team meant they won the majority of their matches.
- Both Hockey teams played really well this term and had some fantastic results thanks to the input of award-winning coach Wendy Russell.
- The Basketball Team reported some great wins against Hurtwood House, St John the Baptist School, Esher College and John Ruskin College.
- Jack Large beat Bradley Berrill 21-15 in the final of the annual Reigate College Badminton competition in December.

Women's Football Team

Men's 1st Rugby Team

Basketball Team

Men's 1st Football Team

Jack Large and Bradley Berrill

Netball Captains, Emma Masters (B Team), Taea Scott (A Team)
