

Quality in Careers Standard 2022 - Statement of Commitment

Reigate College are again delighted to announce their commitment to working towards re-accreditation of the prestigious Quality in Careers Standard for its careers education, information, advice and guidance (CEIAG) programme.

The college has held the Quality in Careers Standard, a nationally recognised award for excellence in this area for a number of years, last reaccredited in 2018 and was congratulated for its wide ranging, high quality resources that support our CEIAG programme.

The college is again demonstrating its commitment to providing outstanding impartial, independent careers education, information, advice and guidance for all young people by working towards re-accreditation for 2022.

The Standard is fully aligned with the [Gatsby Benchmarks for "Good Career Guidance"](#) and complies with the DfE's Statutory Guidance. In meeting the outcomes of the Standard and the Gatsby Benchmarks the college will continue to raise aspiration and achievement amongst students and ensure that we continue to deliver excellence in careers education, information advice and guidance that benefits all of our students.

The Reigate College Careers Programme is published on the college website and can be accessed via the following link: [Careers Programme](#)
