

Values

We are committed to fostering an environment where academic excellence, personal growth, and community engagement thrive. Our core values guide the daily interactions, behaviours, and decisions of our students, staff, and wider community. These values ensure that Reigate College remains a place where individuals can achieve their full potential and prepare for the future with confidence and integrity – sixth form education at its best.

1 Rights

- Wellbeing and support
 - We provide a supportive environment where everyone feels safe, cared for and valued, where physical, emotional and mental wellbeing of staff and students is a top priority
 - Our comprehensive pastoral care enables students and staff to thrive personally and academically/professionally
 - We encourage a healthy balance between academic/professional pursuits and personal wellbeing, recognising the importance of self-care and emotional resilience
- Excellence in education
 - We have the highest academic standards, empowering everyone to achieve their full potential
 - We have a passion for learning, critical thinking and creativity, equipping students and staff with the skills they need to succeed in life
 - We foster an intellectual curiosity through outstanding, engaging and inspiring lessons
 - We prepare students for higher education, apprenticeships, careers, and life beyond College
 - We prepare staff for opportunities to develop themselves and advance their careers

2 Respect

- Respect for all
 - We have a culture of mutual respect, where dignity, rights and individuality are valued
 - We celebrate diversity and are committed to maintaining an inclusive environment where people feel valued
 - We treat our community with kindness, empathy and understanding

3 Responsibility

- Personal responsibility and integrity
 - We take ownership of actions, decisions and learning journeys
 - Our key principles are integrity, honesty, fairness and ethical behaviour
 - We encourage development of resilience, independence and a sense of responsibility
- Collaboration and community
 - We work as a team and collaborate both within College and the wider community
 - Our stakeholders work together to create opportunities for learning, growth and service
 - We actively promote participation in extracurricular activities, volunteering and community engagement, fostering a sense of unity and social responsibility
- Sustainability
 - We are committed to promoting environmental awareness within our community
 - We encourage active steps to reduce environmental impact
 - We foster a culture of environmental responsibility and integrate this into our operations and curriculum
 - We embrace innovation and adaptability, encouraging forward-thinking approaches to teaching, learning and problem-solving
 - We develop the ability to adapt to new challenges, think creatively and embrace change
 - We invest in technology, resources and infrastructure to ensure we are well-prepared for the future
