

Monday 9 February 2026

*This term, I have been thoroughly impressed by the dedication of our students to their ongoing assessments. The mock examinations for A Level subjects immediately following half term provide an important milestone. Whatever the results, it is important to use them as a learning experience to better prepare for the real assessments and examinations this summer. For students taking BTEC assessments and completing coursework, it is an opportunity to continue to build momentum going into the final few months at College. Do not forget, the College has a huge amount of support available for students, so please encourage your son/daughter/young person to visit the MySupport page on their Portal or speak directly to their Tutor or Senior Tutor if they need additional assistance.*

*Nick Clark, Principal*

## Interim Reports

The latest interim report will be available from 5pm tonight (Monday 9 February). You can access the report by logging onto the [Portal](#), clicking 'My Data' and 'Interim Report'. As a reminder, interim reports include:

- **Attitude & Behaviour to Learning** – Each subject is graded 4–1 (4 = Excellent, 1 = Unacceptable) across three areas: Independence, Class Ethic, and Deadlines. An average score is calculated for each subject.
- **Attendance** – Actual Attendance shows the % of lessons attended; Adjusted Attendance accounts for authorised absences.
- **Key Assessment** – This is the grade from the most substantial assessment this half term.
- **National Calculated Grade** – Predicted grade based on prior achievement and national data from the Department for Education.
- **Feedback & Action** – Students set actions to improve based on teacher feedback.

The video in this link [Interim Report Video](#) explains our interim reports. Full details can also be found [here](#). We strongly recommend that all parents/guardians either watch the video or read the guidance to fully understand the report.

# Structured Learning Day

2 March 2026 is the final structured learning day. There will be no timetabled lessons on site as staff will be undertaking professional development; students will instead be set work to complete independently at home.

## February Mock Exams

The February mock exams for A-Level subjects will begin straight after half term. We would like parents to be aware of the following reminders:

- Students should now be able to see their personal exam timetable on the portal. It is important that they check this and report any errors or omissions to [exams@reigate.ac.uk](mailto:exams@reigate.ac.uk).
- If a timetable shows an exam clash, students will be advised separately by email how this will be resolved.
- Rooming and seating plans will be confirmed shortly before examinations. Students will be able to access this on the College Portal.
- All students MUST read the exam [hand book](#)
- During this mock week there are no A-Level lessons, but BTEC lessons continue. Students are on study leave in the morning if they have an afternoon exam. If a student has a morning exam, they should still attend their BTEC lesson in the afternoon.
- Please be aware that for students sitting exams in the summer the contingency date for this exam series is 24 June. Students will need to ensure they are available on this day to take an exam in the case of a nationwide disruption to exams.

## Coping with Exam Pressure

We are preparing for the upcoming exam season and want to ensure all students feel confident and ready. Every student at the College will take part in some form of assessment, so it is important that they understand what to expect and have the right support in place.

To help parents and carers better understand the exam process—and how best to support young people during this time—we have put together a short guidance video. You can access it here: [Exam Preparation](#).

If any student feels they are struggling with their preparation, they can book a one-to-one session with our Wellbeing Mentors via their student portal. Support for managing exam pressure is available throughout the exam period. -to-one session with our Wellbeing Mentors via their student portal. Support for managing exam pressure is available throughout the exam period.

## Community

The College is hosting **Love Week from 9–13 February**. This annual event focuses on promoting positivity—towards yourself, within relationships, and throughout the wider community.

During Love Week, we will offer a range of activities for students to enjoy, including film night, writing love cards, making friendship bracelets, and decorating love themed biscuits.-themed biscuits.

The week is supported by **East Surrey Domestic Abuse Service** and **Surrey Sexual Health**, who will be providing information and guidance throughout the event.

## Understanding Apprenticeships

Apprenticeships offer exciting and practical routes into rewarding careers. At the start of National Apprenticeship week on 9 February at 6.30pm there is a webinar to help parents and carers feel confident supporting the young people in their lives as they explore these options. [Click here](#) to register for the webinar.

## Extended Tutor Periods

During the academic year, Upper Sixth students have two Extended Tutor Periods (one hour instead of 30 minutes). The next session is the week of 2 March. In December, we covered the 'Prevent Agenda,' a government initiative on identifying signs of radicalisation. The upcoming session will focus on 'consent,' building on previous discussions about Healthy Relationships. At the end of each session, students are reminded to speak to their Tutor, Senior Tutor, or the Safeguarding Team if they have concerns. Parents/guardians can also raise concerns by emailing [safeguarding@reigate.ac.uk](mailto:safeguarding@reigate.ac.uk).

# Diary dates

What	When	Details
Half Term	Monday 16 to Friday 20 February
